

Jack and Jill's

Day Nursery

Prospectus

Introduction

Jack and Jill's Day Nursery is a small private nursery. We are situated in Halesowen, within easy access to the Midlands motorway network and the A456 Birmingham to Kidderminster Road.

We are a friendly nursery that caters for up to 46 children between the ages of 6 weeks and 8 years. The nursery is open for 52 weeks of the year, Monday to Friday from 7am to 6.30pm. We have a finger print recognition access system which allows designated parents/carers to enter the nursery at any time during the nursery day. The nursery operates a CCTV system in all of the children's room. We are registered with Ofsted.

Our Aim

At Jack and Jill's, we aim to provide a happy and secure environment where children are given the opportunity to build on their development and independence by learning through play. We offer high quality professional childcare in order for children to learn at their own pace in a relaxed and stimulating atmosphere, where their care and educational needs are catered for.

Admissions

Full and part time places are offered to children throughout the year. Admission to the nursery is by completion of our application form and "All about me" form together with a payment of a deposit to secure your child's place.

Parental Partnership

At Jack and Jill's Day Nursery we recognise that parents/carers are the first and most important educators in their children's lives. In order for children to reach their full potential we aim for parents/carers to work closely with the staff throughout their child's time at nursery. We keep parents/carers regularly involved and up to date with nursery life by sending regular newsletters, holding twice yearly information evenings and having daily informal chats with parents/carers.

Staff

All staff at the nursery are employed based on recognised childcare qualifications, abilities and experiences. We offer on-going training to ensure that staff are up-to-date with current issues and practices in childcare. All staff are DBS (Disclosure and Barring Service) checked.

Safeguarding

Jack and Jill's recognises that it has a duty to safeguard and

protect children from abuse as defined in the Children's Act 2004, Working Together to Safeguard Children 2015 and What To Do If You Are Worried A Child Is Being Abused 2015 (Department of Education) . We provide a safe environment for children to learn and play in. Staff help children to establish and sustain relationships with their families, peers and other adults. If any issues arise staff will be provided with the relevant information on a need to know basis about individual children to keep them vigilant to any specific needs. Full details are in our Safeguarding Policy on the parents/carers hand book situated in the entrance hall.

The nursery is part of a project called Operation Encompass which is run jointly between schools/ childcare providers and West Midlands Police. Operation Encompass reports to schools and childcare providers, prior to the start of a next nursery day, if when a child or young person has been exposed to, or involved in, any domestic incident.

Operation Encompass will ensure that the Designated Safeguarding lead, known as a Key Adult, is aware and trained to liaise with the local authority to use the information that has been shared in confidence. The Designated Safeguarding lead will be able to make provision for possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a domestic abuse incident.

Records

All children's development and progress is recorded on a regular basis throughout their nursery years. Child development forms are completed and shared with parents/carers on a regular basis and parents/carers are asked to help complete the records to show a full picture of the child's development both at nursery and at home. Each child has an individual portfolio which includes pieces of work, paintings, photograph's etc. These are given to parents/carers at the six monthly information evenings together with their individual progress reports.

What We Offer

Jack and Jill's Day Nursery is divided into different groups to meet the needs of the children of all ages, stages of development and abilities. We recognise that all children are unique with their own strengths, weaknesses and personalities, all of which are taken into consideration when planning and carrying out daily activities.

The nursery delivers the Early Years Foundation Stage which is divided into seven areas of learning;

- Personal, Social and Emotional Development
- Communication and Language
- Physical Development
- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

The Early Years Foundation Stage gives the children a wide variety of learning opportunities.

Baby and Toddler Room (ages 6 weeks to 2 years)

Our baby and toddler room caters for the individual needs of the children during their first years and introduces the seven areas of learning in line with the Early Learning Goals.

Our staff work closely with parents/carers ensuring that the needs of each child are consistent with life at home, providing a stable, bright, stimulating and comforting environment. The children are placed in small groups with each child having a key worker in order to form a secure and close relationship with both child and parents/carers.

In the baby and toddler room we work in groups and on a one to one basis providing a wide range of sensory experiences and activities including creative art, messy play, physical play, musical time and story time in order to develop language, fine and gross motor skills, and social skills. Parents/carers are requested to provide nappies, wipes and cream.

Parents/carers are also asked to provide formula milk that is already measured out ready to be mixed when needed. Before your child is due to move to the 2-3's room they will be introduced to the room by having visits gradually by a few hours each day, increasing to longer periods in accordance with how well your child is settling in.

2-3's Rooms

In our 2-3's rooms children are encouraged to develop through daily activities incorporating the seven areas of learning in line with the Early Learning Goals.

All toys and equipment are at the children's level, so they are able to choose their own activities.

Our staff work alongside parents/carers to encourage and support toilet training, so when you feel that your child is ready for toilet training liaise with your child's key worker in order for your child to progress at their own speed to prevent any stressful experiences. Parents/carers will need to provide spare clothes and pants for toilet training.

Children are offered activities and a well-planned routine which allows them to increase their independence and develop their social skills. Physical and creative development is further encouraged in the outside play area where there is a full range of activities where children are able to express themselves freely and release some energy!

Pre-School Rooms (ages 3-5 years)

Our pre-school rooms offer a wide variety of play activities and a structured routine in preparation for school. We concentrate on the seven areas of learning in line with the Early Learning Goals for early years development.

There are also many themed activities to examine seasonal events and celebrations. Independence is actively encouraged in this room which includes dressing themselves through dressing up, putting on their coats etc, using a knife and fork at dinner time. All children are individuals and will progress at their own pace so assistance will always be on hand where needed, they are constantly encouraged and praised for their efforts.

The children within these rooms have access to computers and a selection of children's software packages which will help to develop their concentration and ICT skills.

We have a Quality Teacher Support who visits the children on a regular basis from the Early Years Team to oversee and help with the planning in preparation for when they start school.

We aim for all children to leave Jack and Jill's Day Nursery as happy, independent and well-adjusted individuals who respect and value one another and find learning fun!

Outdoor Play and Outings

We believe that children need to be given opportunities to learn and play both inside and outside of the nursery. We provide a secure outdoor play area for children, as well as taking children on walks and visits within the local community (with consent from the parent/carer).

Meals

At Jack and Jill's we operate a healthy eating policy. We provide breakfast, a two course lunch and an afternoon snack for all children within the nursery. We offer a wide range of meals including vegetarian and those from other cultures. These are often linked to our themed days and special events (e.g Chinese New Year) held throughout the year. Juice and or milk are given to the children with each meal and fresh drinking water is available throughout the day. Parents/carers are advised to bring in their own formula milk (pre-measured) if needed.

Behaviour

At Jack and Jill's we praise and encourage good behaviour, kindness and sharing. We work in partnership with parents/carers to lay the foundations from which children will grow into happy and independent individuals. We aim to give all children a positive self-image and respect for others. Any sanctions or cause for concern regarding any child are discussed with parents/carers, recorded on an incident form or written on the child's weekly report.

Illness and Medication

If a child becomes ill at the nursery we will contact his/her parents/carers. In the event of medical emergency we will take the child to hospital and contact parents/carers immediately. Children will not be able to attend nursery with infectious diseases ie. sickness, diarrhoea, chicken pox etc. If a child is ill and needs medicine whilst at nursery parents/carers will need to complete and sign a medication form. All medication must be labelled with the child's full name and date of birth.

Funding

Upon application we require your Child's funding codes to ensure we are able to claim their hours. You **MUST** apply for these via the gov.uk website:

[Get free childcare if you're working: Overview - GOV.UK \(www.gov.uk\)](https://www.gov.uk/get-free-childcare).

You must claim the funding for EACH term, this must be done before December 31st, March 31st and August 31st for the code for the term ahead to be valid.

You may also see if you are eligible for tax-free childcare:

[Tax-Free Childcare - GOV.UK \(www.gov.uk\)](https://www.gov.uk/tax-free-childcare)
